

Harvest Hero v1.0.0 - Complete Package

Everything you need is included:

- Complete application
- 94 items with barcodes
- Printable barcode PDFs
- Sample inventory data
- Complete documentation

To get started with barcodes:

1. Extract the ZIP file
2. Open: output/barcodes/harvest_hero_barcodes.pdf
3. Print on standard 8.5" × 11" paper
4. Cut and stick on pantry shelves
5. Use USB barcode scanner to scan items

Documentation:

- README.md - Setup guide
- BARCODE_SCANNER_SETUP.md - Scanner configuration
- INTAKE_CART_GUIDE.md - Intake system guide

Quick Start:

Windows: Double-click run.bat

Mac/Linux: Run ./run.sh in terminal
